## FACTS AND ORGANISATION

BENDURA BANK AG, founded in 1998, is a fully licensed bank headquartered in Gamprin-Bendern in the Principality of Liechtenstein. As a financial services enterprise, we offer affluent entrepreneurial families and wealthy private clients custom-made financial services, including asset management, investment advisory services and the issuance of securities, along with the initiation and administration of investment funds. Our independence, professionalism and outstanding language skills are the foundation of our success.

With its focus on wealthy private customers and mid-sized enterprises, BENDURA BANK AG serves a sophisticated set of clients. In addition, we also collaborate with a broad spectrum of service-providing partners (trustees, asset administrators, family offices, lawyers, tax advisors and chartered accountants) in day-to-day operations.
